CAMDEN POTENTIAL

**UNLOCKING THE POTENTIAL OF
YOUNG PEOPLE IN CAMDEN**

THURSDAY 10 JUNE 2010, 7PM

HOSTED BY HOLY TRINITY SWISS COTTAGE

FEATURING XLP

 **HOLY TRINITY
SWISS COTTAGE**

In Camden XLP are working with the police, Camden Council, youth charities, schools, and PRUs to address some of the root causes of challenges faced by many young people. One overwhelming problem is that many young people have no sense of hope or future; they lack ambition or vision in their lives. Throughout London XLP has seen young people move from a life of hopelessness to a life of hope and purpose

Do you want young people to thrive? Do you want to unlock the potential of young people in Camden? An evening to hear about the work being done, the opportunities and how you can get involved.

CAMDEN POTENTIAL'S VISION:

To unlock the potential of 1000 young people in Camden by 2012
